CGS Youth Program

The Canadian Goat Society is pleased to acknowledge the hard work and dedication of all of our junior members with the Youth Program. This program is designed to encourage youth to participate in the three CGS programs, showmanship, production and classification. All show, production and classification rules/policies of the Canadian Goat Society must be followed.

There are 2 programs for youth to participate in. The Showman Awards program for Showmanship and the Honour Roll Program which is for youth participating in at least 2 of the 3 CGS Programs (show, production, classification).

The participating youth does not need to be a member of the CGS if they are participating in the Showman Awards Program only. They may use a membership number of a friend or family member. The same goat does not need to be shown all year.

If the youth is participating in the Honour Roll Program they are required to be a member of the Canadian Goat Society. This is in order to track/record production and classification records. In order for the points from the production and classification programs to be included in the summary the youth MUST have been the recorded owner of record ON or PRIOR to the date the goat achieved the scores/test results.
